

Thank you for your interest in joining the Musicians Union Local 6. We are a democratic membership organization of professional musicians. Our goal is to improve the economic status, social position and general welfare of our members.

**This is your union.  
Without your active participation we cannot be effective.**

We urge you to take advantage of our member service programs, attend our meetings and social events, vote for officers (or become one), communicate your ideas and help make the union a better organization for all musicians. Please keep in mind that the Musicians Union is not a booking agency or hiring hall and we cannot guarantee you work as a musician.
